6. We do not know as yet when (1) Kundapur and Kundapur south and (2) Ganguli and Ganguli north will be getting the benefit of Jog electricity. As it will be largely here that cheap electric power can be immediately harnessed for intensive cultivation, besides encouraging cottage industries, and in view of the fact that Kundapur Taluk has sacrificed some of its lands for this project, this area be given priority in electricity supply. as othertowns in our district are already having its benefits from many years by the employment of diesel unit. We trust that the surrender and sacrifice of lands by people from Ganguli north will not be forgotten and we neglected at this hour.

No.6462 E/52-3 dated the 24th March 1953.

Sir,

Sub: Electricity - Extension of supply of power to Coondapur and Ganguli in South Canara District.

Ref: Government endorsement No.78008 (Q)/52-2 dated 22-10-52.

Extension of power supply to Coondapur, Coondapur South and Ganguli and Ganguli North will be feasible only after the materialisation of Coondapur Sub-Station under South Canara extensions and after receipt of bulk supply from Mysore Government for the South Canara area, negotiations regarding which are still under correspondence. It may take about three years for Coondapur Sub-Station to materialise.

2. The Superintending Engineer, Pykara Electricity System is being instructed to take necessary action for extending supply in the area nearer the time of materialisation of the sub-station.

FOR CHIEF OPERATION ENGINEER(SOUTH)
